The Spring Bay Community Boat Shed: Setting Course in a New Direction

It is with great excitement that we announce the formation of the Spring Bay Community Boat Shed under the auspices of ERDO's incorporation. The Shed, located at the old Marinova site on the Tasman Highway opposite Rostrevor, will be coordinated by David Gatenby and Pat Burnell.

The members of the Community Boat Shed, which has been registered with the Tasmanian Mens Shed Association, meet every week, to work on boats, plan trips to other like minded sheds, wooden boat festivals, etc and to share lunch.

There are a number of boats in the collection; many are 'sailable'

while others are waiting for a bit of TLC. On water activities, some in conjunction with other groups such as the Living Boat Trust, the Wooden Boat Guild and Women on Water, will be a major part of the Shed's function and will give incentive to getting 'things done'. For further information contact Pat Burnell 0400 571 378 or David Gatenby 0400 432 331.

Building a Cubby House Project.

If you have any old/out of date encyclopaedias or similar hard back books they are needed for this special project which will soon be coming up at The Village. See article following by Dorothy Duncombe-Jackson.

Happy reading,

Judy.

Future Cubby House Project

The project that I am working on is to build a Cubby House. This project is also about books as that's what we will be using to build the Cubby! Fabulous.

We are in the first stages at the moment, and while we have a supply of books to start, will need more. What we are after is hard cover books that are not useful to others such as the Condensed

Readers Digest and out of date Encyclopaedias.

If anyone has books like these to give away we would be delighted to receive them at The Village to help complete this project. If you would like me to collect then from you please ring me on 62573684.

Don't forget to look at this project when next at The Village, it is near the Barn.

Dorothy.

Advance notice of a special Event in October:

Following the great success of the French Car Show for France to Freycinet in April, The Village, together with the Tasmanian members of the Rover Car Club of Australia, is holding the From Britain to 'Bunna Car show for all British Makes, on Sunday 19th October, coinciding with our

October Market. Owners of British cars are invited to come along and display your vehicle.

Awards will be made for the “Best in Show”. Fliers are available at the Market, or on our web page:

There will be other special activities happening on the day, which will be announced at a later time. Mark the date in your diary now.

What's been happening at The Village

FFF: The 2014 From France to Freycinet Festival was celebrated at the Village, with a very successful Market Day, Long Lunch and French Make Car Show. As well as our usual BBQ we featured French Crepes, and local scallop pies, all

very popular. The winner of the People's Award at the car show was a lovely 1979 Citroen 2CV, which also featured in an article in Examiner.

Stepping Into The Future Employment EXPO – A great Success: On the afternoon of April 10th, as part of “Stepping into the Future”, forty three booths were set up at The Village. Employers, training bodies, UTAS, Rosny College, Centrelink and other agencies set up great displays and engaged with the Triabunna Secondary students, parents and broader community.

At night a forum was held at the school and speakers covered topics from Robotics in the Dairy Industry to sharing life journeys. Laura Bishop, an ex Triabunna student, spoke passionately about what growing up and being educated in Triabunna had led to.

This event was initiated through The East Coast Community Network that is facilitated by Colony 47 & ERDO.

A number of people said they hoped this would be an annual event and planning is already under way to make this happen!

Wrinklies Lunch: The Ladies Who Lunch group from Swansea, “The Wrinklies”, recently had a nice lunch at the village cooked by Fiona Hutchins. Funds raised went to The Village. In background of the photos you can see some of the prints from John Ingleton's successful Print Show.

During April and May The Barn hosted the wonderful Print Exhibition by Hobart artist John Ingleton. ERDO Committee agreed to purchase a Print to go into our ever expanding permanent exhibition items, proceeds for which came from our commission on sales of John's prints.

Peace Ceremony: On May 18th, at the conclusion of the market many people gathered around The Village Peace Pole to celebrate the Symphony of Peace Prayers, a global event taking place in more than 60 countries.

We were pleased to welcome back to Triabunna members of Holy Tantra Jin-Gang Dhyana Buddhism from Hobart and Native American Indian, Richard Liittlefeather and his partner, Leannan.

What's been happening at The Village

Richard opened our ceremony asking all of us to help bring peace to the world, to our communities and to ourselves. In his welcome Richard acknowledged the indigenous peoples of the world and honoured the four directions with Leannon and Barb Gardam drumming each direction.

The Doctrinal Song, "Light of the Universe, Universal Great Harmony Ritual", from the Buddhists brings a great sense of peace and calm to all present allowing us to prepare for the World Peace Prayer Ceremony.

Rain threatened so a slight change

to the program brought on some loud drumming and the Holy Dharma Lion Dance, a ritual to bring peace and prosperity to our community. Part of this ritual is the 'dotting' of the eyes of the lions so they can "see and soar to greater

heights"! Beth Bennett, a popular member of our community and strong supporter of our peace ceremonies, had the honour of performing this task. It was great to have some young people present to experience this great ceremony.

The Peace Flag Ceremony gets everyone involved in carrying the

flags of 196 countries and praying for peace in each one. This year we used small flags which were arranged around the Peace Pole.

During the ceremony people were asked to write their prayer or message of peace on paper, which would be placed in a capsule to be buried at the foot of the Peace Pole. The community mandala also attracted a lot of interest and many present contributed messages of peace and goodwill.
