THE VILLAGE TRIABUNNA

Photographic Group Formation

ARE YOU INTERESTED IN JOINING OUR PHOTOGRAPHIC GROUP

For all the Photographers and Budding Photographers of Glamorgan Spring Bay. ERDO is considering starting a Photographic Group/Club. You may already be an experienced Amateur, or someone who wants to learn how to get the best out of what you have. It need not be an expensive DSLR, you may be using your I-Phone.

The aim is for a self help Group who gets together on a regular basis to discuss all things photographic, and to utilise the wonderful resources at our fingertips on the East Coast. If there is an interest we can also look to also hold some classes in Photographic Theory.

We look forward to hearing from you.
