

.The Spring Bay Community Boat Shed

Day Sheet Monday 21st January 2019

Welcome and many thanks to any and all who are willing to be a part of what is The SBCBS 2019 and beyond.

Members and Friends,

To quote from last week's daysheet-

“Wooden boats can be the source of great delight; they also create unique, continuous logistical and maintenance 'issues' which are, to say the least, extremely character building. Our voyage provides us with both the issues and the delight.” This certainly proved true in recent days.

Since last week we have undertaken a change in our AWBF presentation and the simultaneously enjoyed outstanding recognition from loyal supporters. Due to unforeseen time concerns Una will be replaced by our putt-putt launch Meg for the AWBF, thereby relieving immediate pressures whilst continuing the on-going requirements of Project Una at a more conservative pace.

With just 18 days until the Australian Wooden Boat Festival we are concentrating on displaying Meg as a work-in-progress and looking forward to a most enjoyable festival. Thank you Lesley and family for donating marvellous Meg. It is indeed delightful to have the opportunity of sharing Meg with the AWBF participants and visitors.

Yesterday was another successful Village Market. The SBCBS had many interested visitors including members of the Ibbott family who were pleased to see Peter's handiwork on display. Thanks to Dorothy's prize donation we conducted a meat tray raffle, the proceeds of which will help to "keep the lights on". Congratulations to our prize winner Keith Mann.

With major projects in-hand and in-prospect, fund raising will be a very necessary activity for us this year and into the future. It is another delight that we have significant vessels worthy of refurbishment and restoration in our care.

Pictures L to R: Views of our inboard putt-putt clinker launch 'Meg'. We have the Wing motor too!

Agenda for Today 21/01/19:

10:30 Meet at Boat Shed. Lunch BYO.
