

# The Spring Bay Community Boat Shed

Day Sheet Monday 20<sup>th</sup> May 2019

Welcome and many thanks to any and all who are willing to be a part of what is The SBCBS 2019 and beyond.

Members and Friends,

It was very pleasing indeed to see our workshop come to life with three points working productively and well – and Pat's lunch to enjoy after the 'meaningful activity'. Today's pictures provide a record of that last Monday; when the “pull-apart” dinghy was indeed pulled apart; 'Peter Forrest's' interior was washed out in final painting preparation and years of deposition finally began to be removed from the depths of Meg's hull.

Yesterday provided another Village Market experience. Congratulations Dorothy for your meat tray raffle win. Many thanks to 'Roving David' for very successful raffle ticket selling.
